Minimum Available Memory (MB)

- 500

Additional Information

- If your device isn't listed on this page, it's not supported by the HFX App.
- The HFX App is not compatible with iPad or iPod devices.
- * If you're using an iPhone 13 Mini, please keep your phone within 2 meters (6 ½ feet) from your HFX iQ device when using the HFX App. This will make sure the connection between the two devices is strong enough so your system works properly.
